

### **The Fountains at Rivervue Visitation Plan**

Our revised visitation plan is based on the NY Department of Health March 2, 2021 revised health advisory for: Revised Adult Care Facility Visitation

#### **Infection Control:**

- Masks are required for all visitors regardless of vaccination status.
- Hand hygiene must be performed when you enter the community.
- Social distancing of 6ft is to be maintained at all times.

#### **Spaces available for visitation:**

- Outdoor Assisted Living courtyard (when weather permits is always preferred).
- Outdoor Memory Care courtyard (for memory care residents and families).
- Indoor common area café and art studio when not in use by residents.
- Resident's rooms

#### **Number of visitors permitted in each space:**

- Outdoor assisted living courtyard – Maximum of 19 visitors for one resident or 18 visitors for a couple.
- Outdoor memory care courtyard – Maximum of 6 visitors.
- Indoor common area café – Maximum of 5 visitors for one resident or 4 visitors for a couple.
- Indoor common area art studio – Maximum of 9 visitors for one resident or 8 visitors for a couple.
- In room visits:
  - Studio apartment – maximum of 1 visitor
  - 1 bedroom apartment – maximum of 2 visitors
  - 2 bedroom apartment – maximum of 3 visitors

#### **Scheduling and Screening:**

- All visits regardless of where they are to occur **must be scheduled in advance** with the number of visitors to be in attendance provided. The community is required to monitor each visit, the number of visitors at the

community, provide screening, and provide post visit cleaning of each space used at the community.

- Each visitor must check in at the accushield kiosks located at the front desk. This screening captures all the information that is required of the department of health as well as temperature screening and will provide the visitor with a visitor pass that they need to wear while in the community.
- Each visitation is to be a maximum of 45 minutes. In room visitation appointments are to be scheduled between 10am to 3pm 7 days a week to allow for necessary monitoring and cleaning practices. Outdoor and indoor common space visitations can be scheduled between 9am-4pm 7 days a week.
- Visitors under the age of 16 must be accompanied by an adult.

### **Visitation Cancellation:**

- If a resident is showing signs/symptoms of covid-19 or tests positive for covid-19 they are ineligible for an in person visit. Alternate virtual visits can be arranged.
- If the countywide positivity rate is 10% or greater all visitations will be cancelled.
- If a staff member tests positive and the community is required to quarantine then visitations will be cancelled.
